

Alteration to 2012 Contest Calendar

After discussion with members of SAM 600 it has been agreed that the events set down for 26th February 2012 at BENDIGO would not appeal to enough flyers be they SAM Members or Club Members.

Therefore it has been decided to delete Burford, 38 Antique and Climb and Glide, this will be replaced with a new schedule being, 1/2A Texaco, Electric 1/2A Texaco, Duration, Electric Duration, Texaco, and Electric Texaco .

If you could please alter your Calendar and notify all interested non members that you are in contact with and advise them of this change as we have no other opportunity to contacting them easily.
