Dear

NAGAMBIE CHRISTMAS TEXACO CONTEST

The second organised contest for NOTAM was held on Tuesday Dec. 28 1987 twelve contestants arrived to sunny and windy day, as for most TEXACO contests most fliers opted for economical low powered flights and this combined with turbulence produced from the surrounding bush produced some tricky flying conditions, which were handled well by most fliers.

It was very interesting to see some OS K6's flown this day and contest director for the day (yours truly), ruled that these motors were acceptable as Antique Spark for fuel allocation. It would seem to me that these motors could well fall into a special class competition, which could well put OLD TIMER type performance back into our flying, could be real fun.

NOTAM club president Geoff Lawson is to be congratulated on the time and effort he has invested in this club, as we all arrived to see yet another building, a 20' x 30' club room, complete with full glass wall to the field.

The contest was started at 10.30, five rounds were flown, there was no need for a fly off and flying concluded at 3.30.

The contest was won by Grahame Sinclair and Krupps Special with a very formidable performance, closely seconded by Lyall Ford with his beautifully finished (screwed on wing) Jasco Flamingo.

Geoff Lawson presented three place getting trophies.

The next events on the Victorian calendar are:-

Roy Robertson Mem.Trophy	P&DARCS	Jan. 24(sun) & 25(mon).
Victorian State Champs	NOTAM	Feb. 6 and 7.
The Blue Ribbon OT Event	NOTAM	Apr. 1 to 4.

Yours in flight,

Trevor Boundy.
 SAM Area Director, Victoria
