Dear

COHUNA ANNUAL DUR./TEX. CONTEST 1987

CMFCInc. and president Jock MacKenzie again hosted the November OT. contest at the COHUNA air field.

Contest director for the <sup>21-Nov-87</sup> weekend was Lyn Clifford and the competition started on Saturday with the DURATION contest, flown in sunny conditions, with a N to NW, and heaps of rising and falling air, of 14 contestants (see list attached) 6 were in the the fly off which was won by Geoff (Cyclops) Lawson, whose model was flown by proxy because of a recent eye operation.

The <sup>22-Nov-87</sup> TEXACO contest on Sunday, was canceled at lunch time because of 25 MPH winds gusting to 30 MPH which was disappointing to the 13 Modellers ready to go.

The club as usual provided cold drinks and hot food for the two days, making this November contest event an desirable occasion for OT flier's.

Cohuna is a very attractive town on the border about 3.5 hours from Melbourne.

The next event for SAM Vic. is NOTAM Texaco at NAGAMBIE on Tues Dec. 29 1987, followed by NOTAM O/T State Championships on 6 & 7th. of February 1988

Yours sincerely

Trevor Boundy.  
SAM Area Director, Victoria
