WARRAGUL V.O.T.A. 2-DAY CONTEST

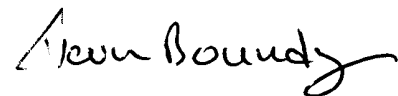

On the 22nd and 23rd of April the Latrobe Valley M.A.C. held their Fourth annual competition. Because the State Championships held at NOTAM on 18 and 19 February were not able to be completed because of high winds and wandering cattle. L.V.M.A.C. kindly consented to run the remaining State Championship events in conjunction with their popular 2-day event.

Len Mostert was the Contest Director for Texaco on Saturday and for the remaining state championship events Warrick Bates was C.D. for 1/2 Texaco on Saturday and Duration and 2 CC on Sunday.

Despite strong winds gusting to 25 M.P.H. on both days a total of 42 contestants entered all four competitions. Which gives rise to the feeling that Old Times flying in Victoria under the guidance of V.O.T.A and Mike Pettigrew is on the mend at last.

Boring conditions kept your typist in the car for most of the day and the only saving grace was there was a market held at the Drive-In opposite the flying field where some delicious country cooking able to be purchased. (TB conversion still in progress)

Thank you to the L.V.M.A.C. ladies who provided meals on both days.

Trevor & Val
On behalf of V.O.T.A.
